STATE OF THE ART TAILORED BUSTS

The busts are an ode to traditional craftsmanship. They are made of hard foam that is pinnable and covered with high quality woven fabrics. Experienced artisans pleat, weave and dye with immeasurable passion and patience. The anatomic dimensions are ideal for bespoke clothing. Some of the busts are foreseen with 2 connectors for centre presentation (dresses) and out-of-centre-presentation (trousers). Plug-in arm caps, removable head and neck caps are always included.
