

Anything you can imagine is real...

The **IMAGINE** collection was created with the quote in mind: "lingerie shouldn't just be good, it should fit perfectly". Our creative team focused on realistic and smooth body curves and thanks to our collaborations with well-known lingerie brands, we have the in-house 'savoir-faire'.

The poses bring attention to your products in a subtle way and have the right dimensions to display multiple lingerie brands. Both the realistic body curves and the soft nude colour ease self-identification with the mannequins and increase desire towards the lingerie displayed.

The carefully sculpted poses are a testimony of the attitude and sensual look of this collection. They empower your window display to make a unique statement and stand out from the competition.

Imagine perfection becoming reality.

IMAGINE

Imagine an elegant woman with an irresistible confidence and a positive attitude.

This collection is made from **plant based** resin and supported by **natural fibers**. Standard available in a flattering nude colour.

The semi abstract head adds softness to the expressive and confident poses.
